

Predicted Abundance for Phascolarctobacterium_A

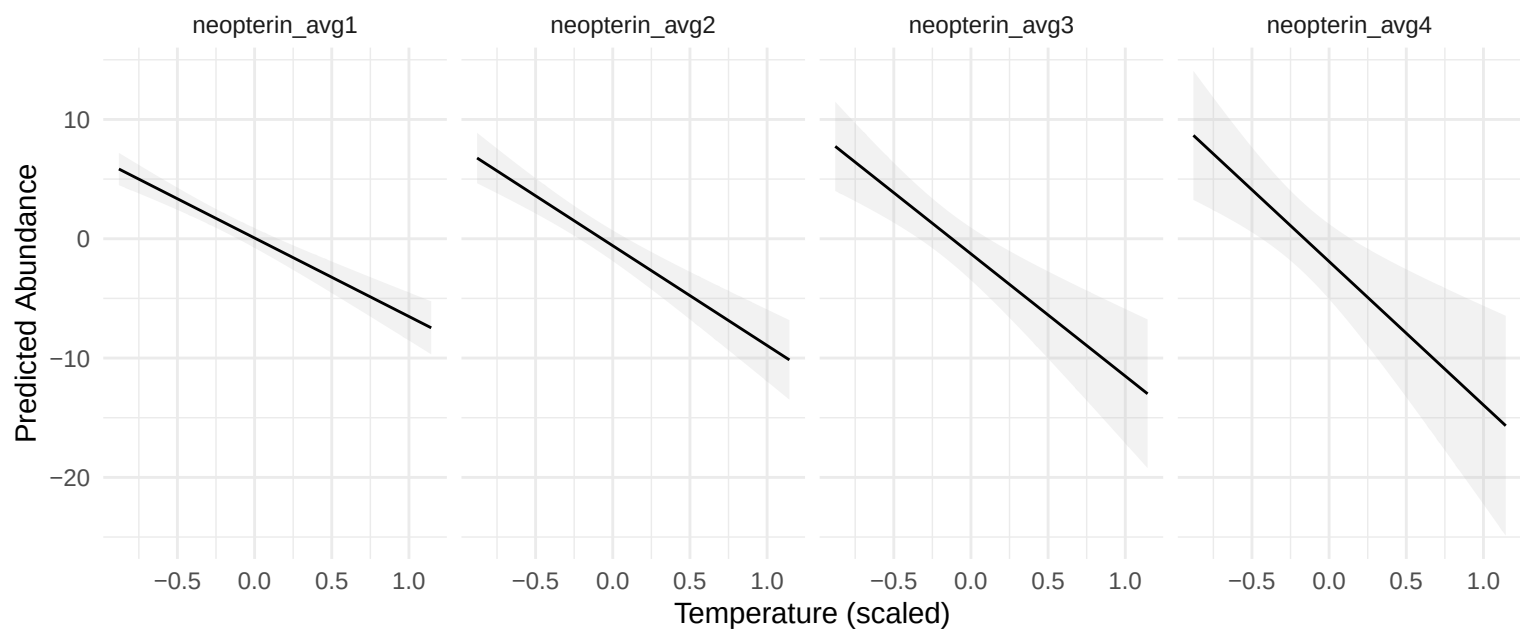

Predicted Abundance for Anaerobiospirillum_A

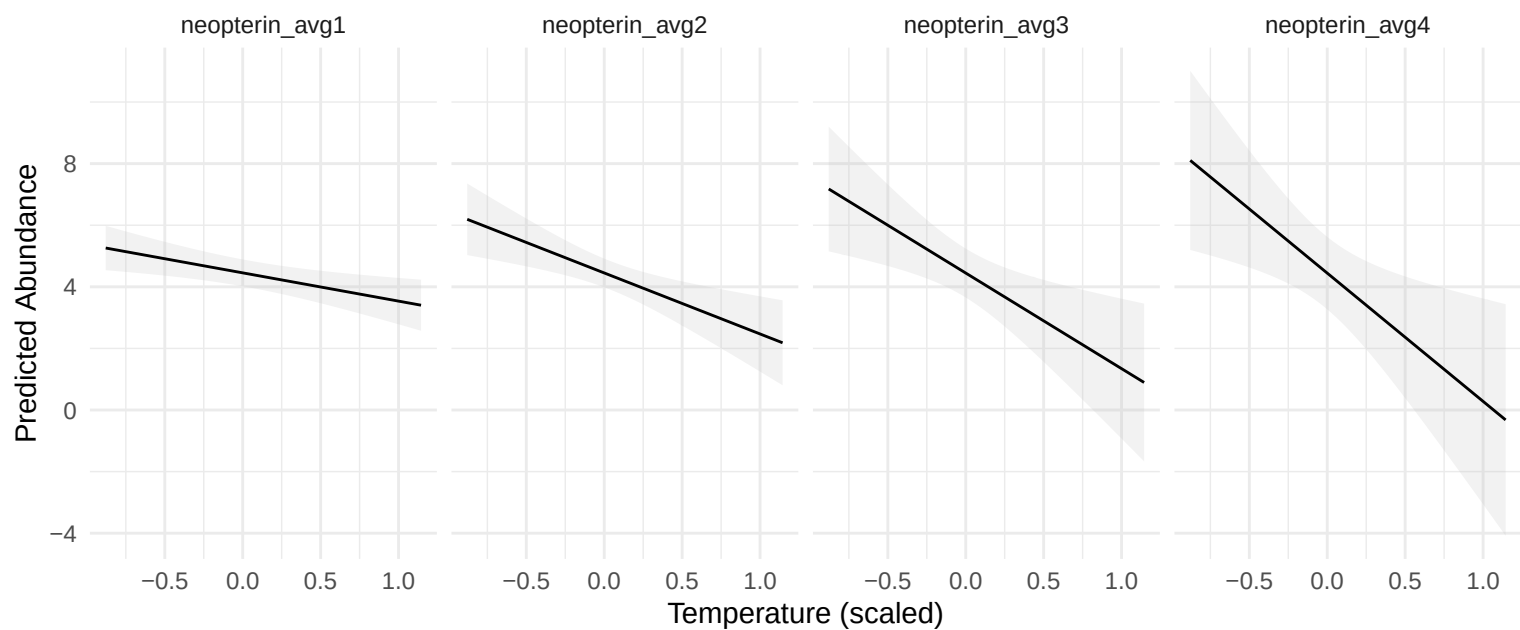

Predicted Abundance for JC017

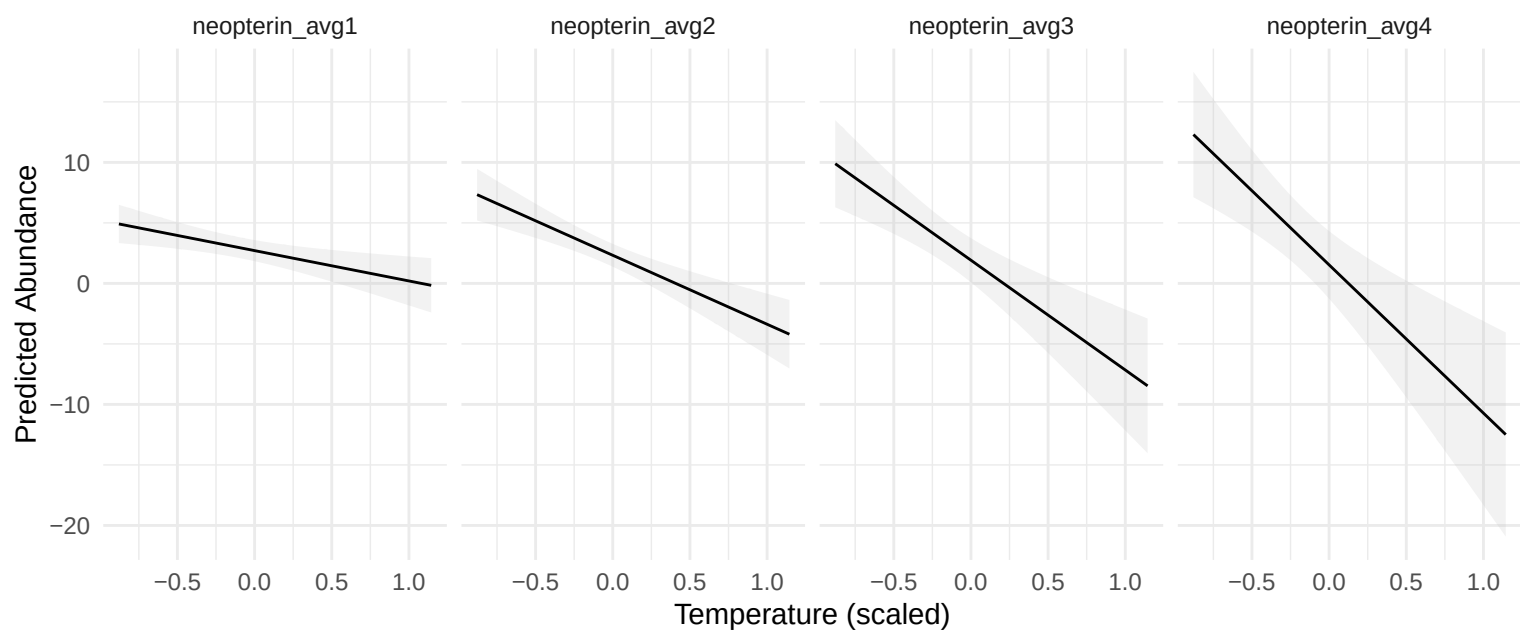

Predicted Abundance for Parabacteroides_B_862066

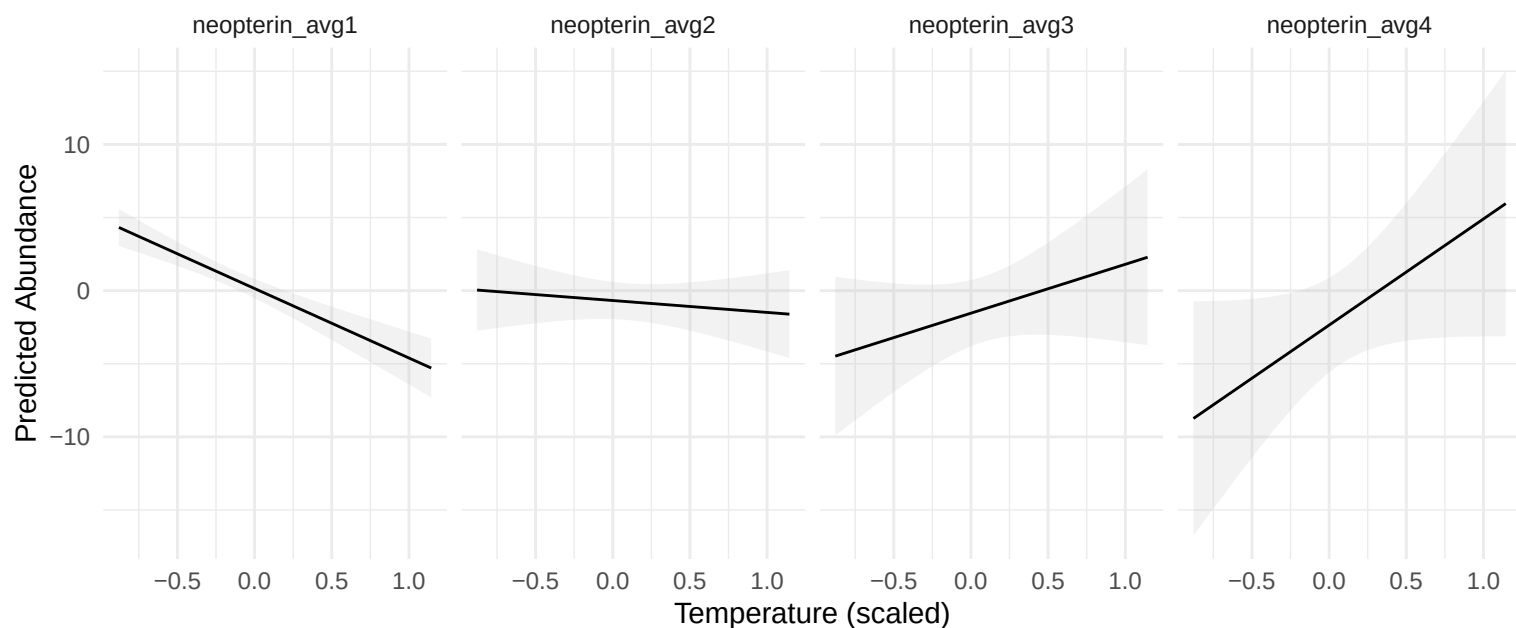

Predicted Abundance for CAG-274

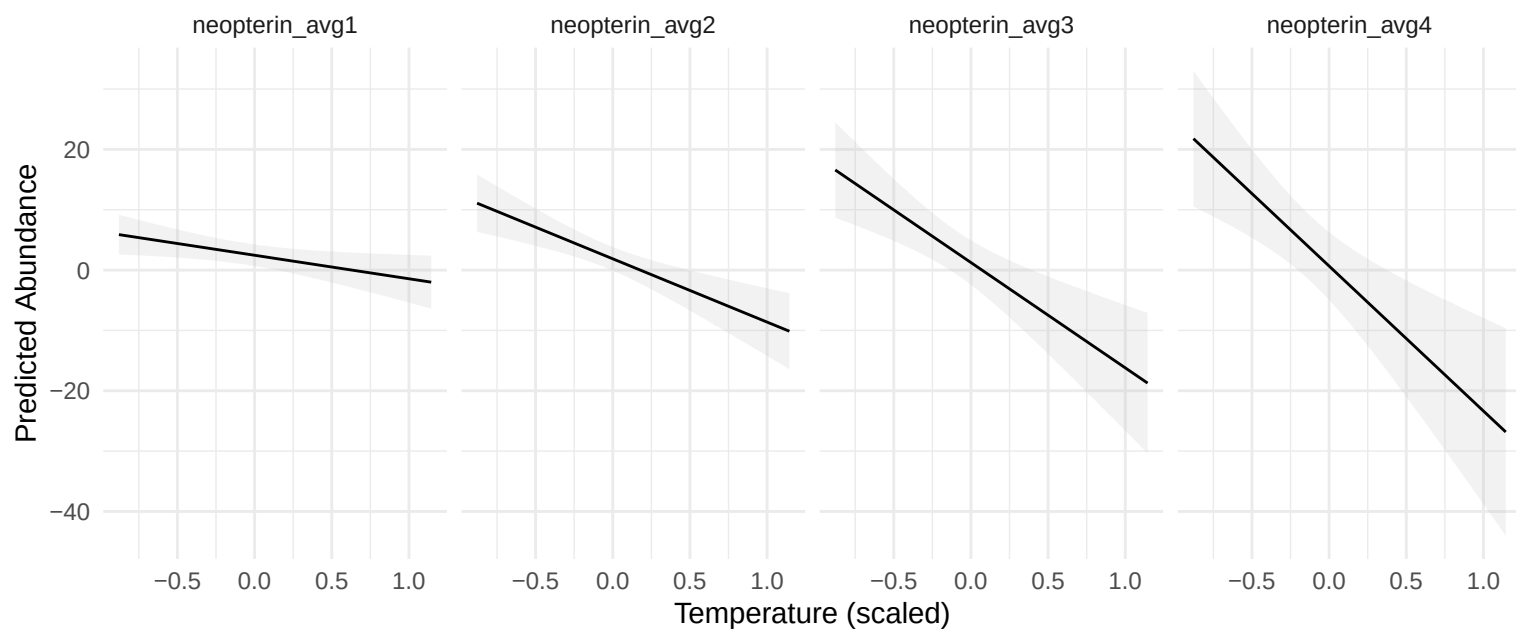

Predicted Abundance for DTU089

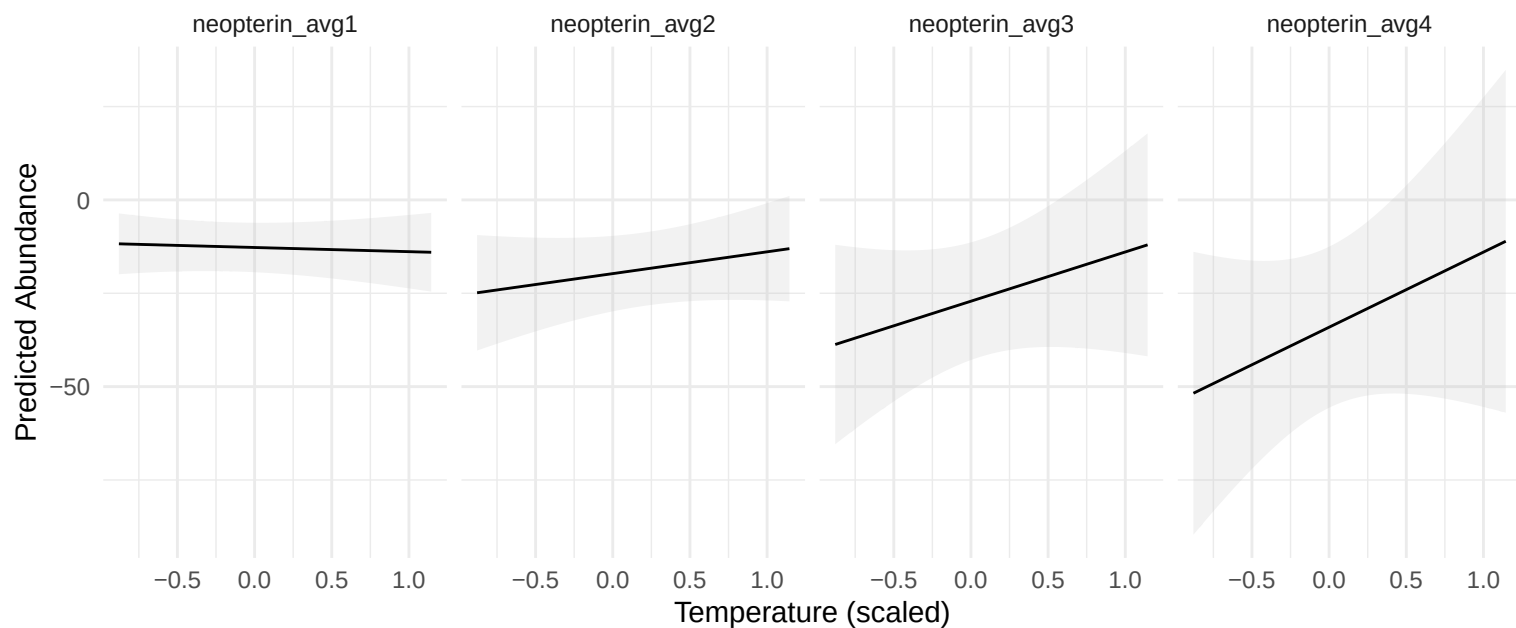

Predicted Abundance for Traorella

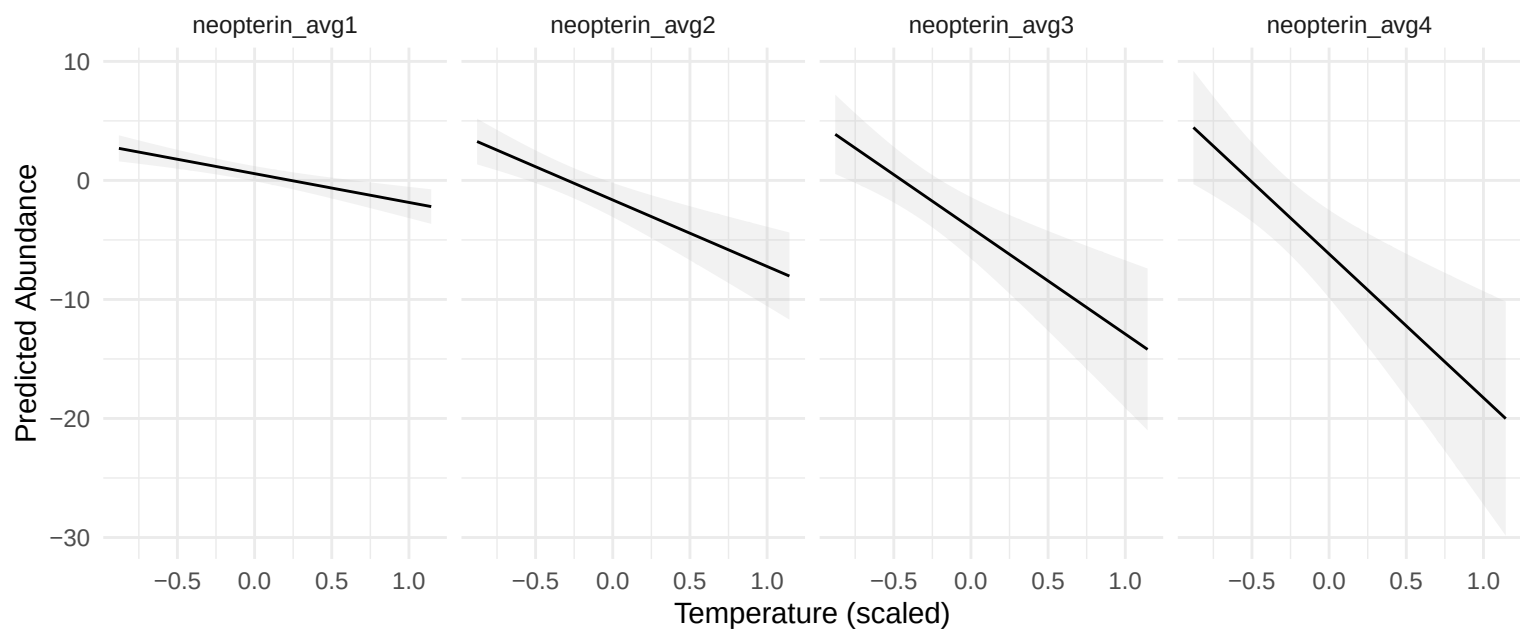

Predicted Abundance for Parolsenella

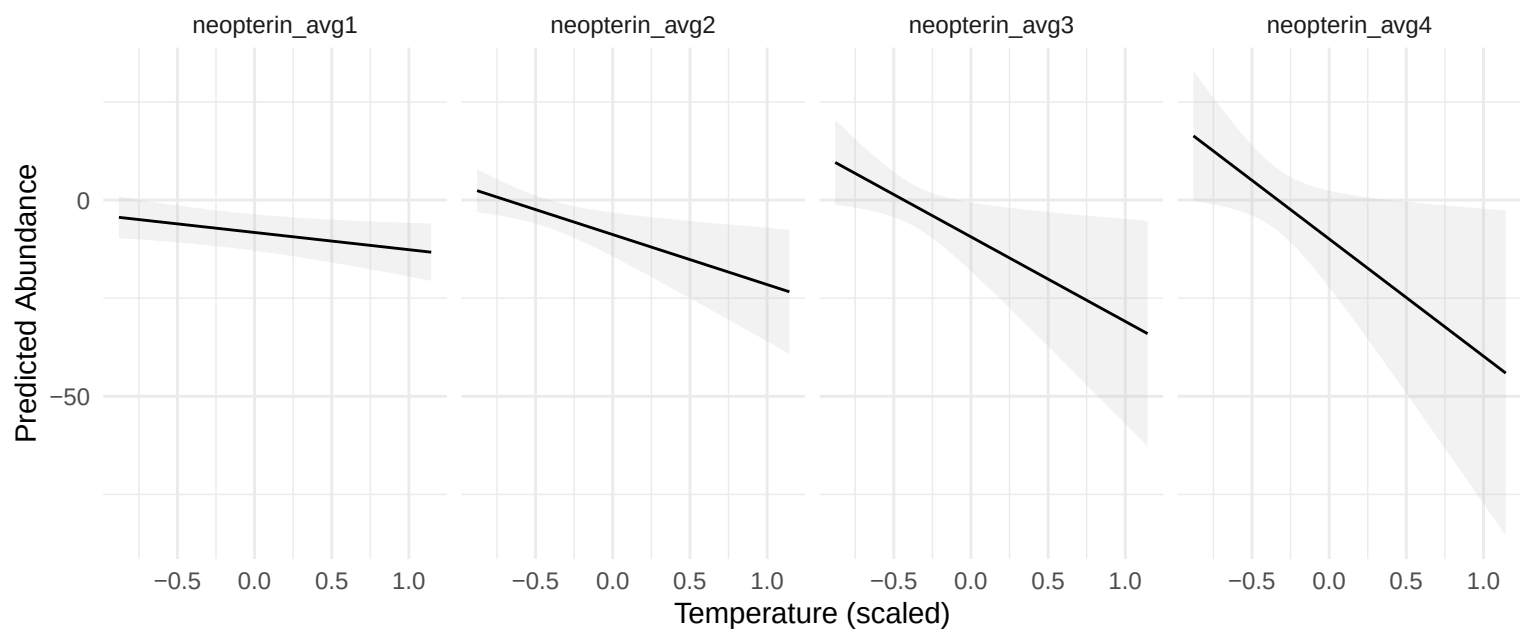

Predicted Abundance for CAG-317_146760

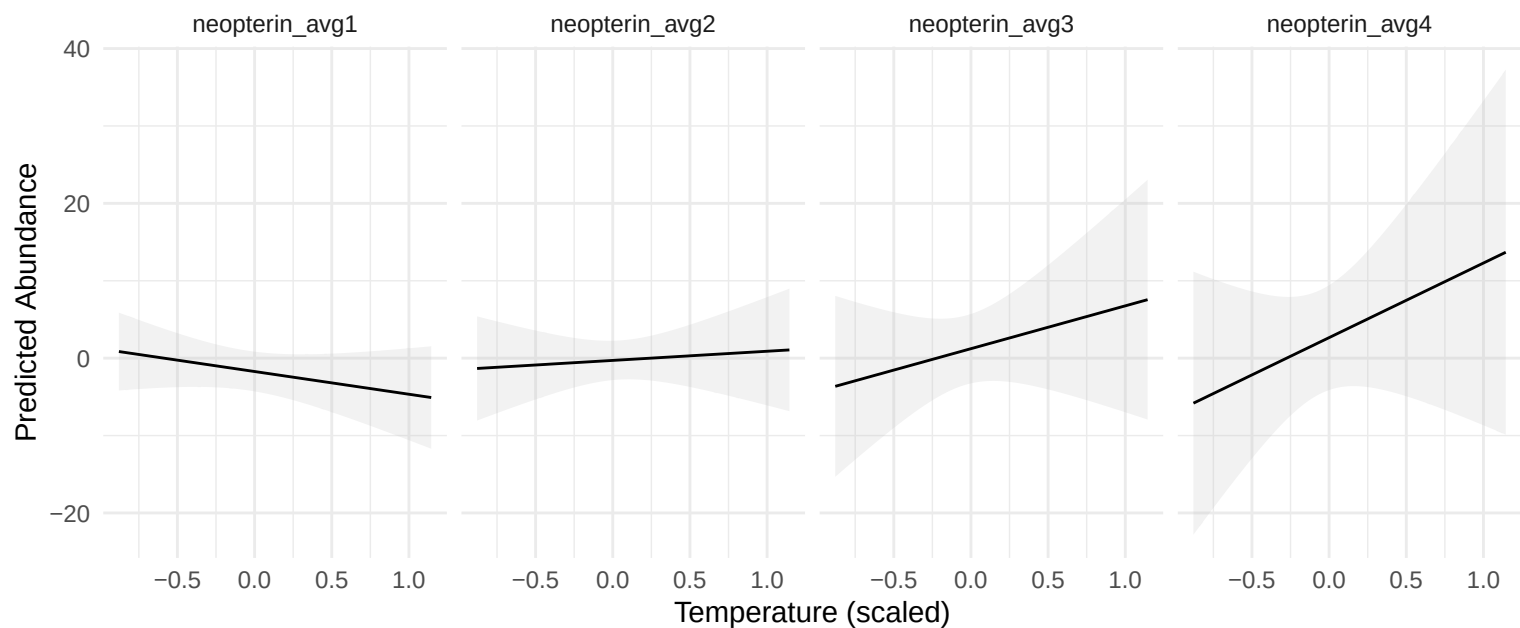

Predicted Abundance for UMGS1071

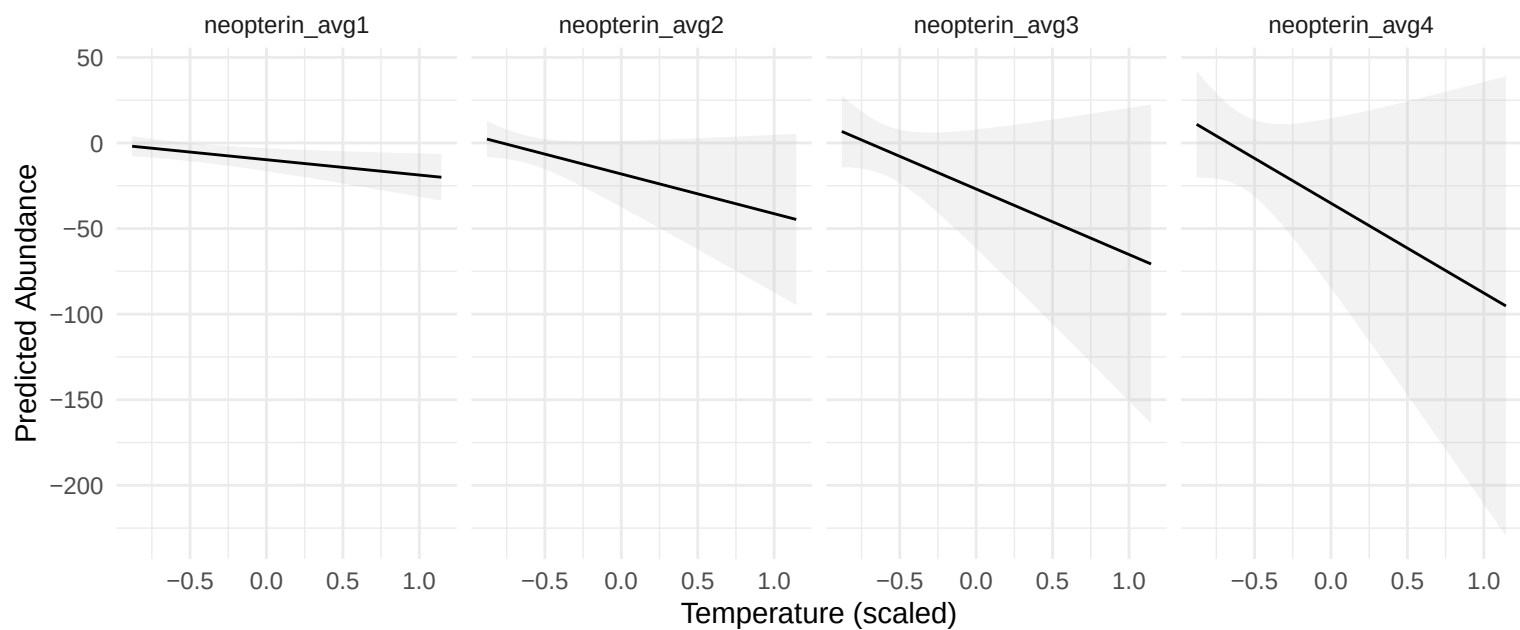

Predicted Abundance for Butyricimonas

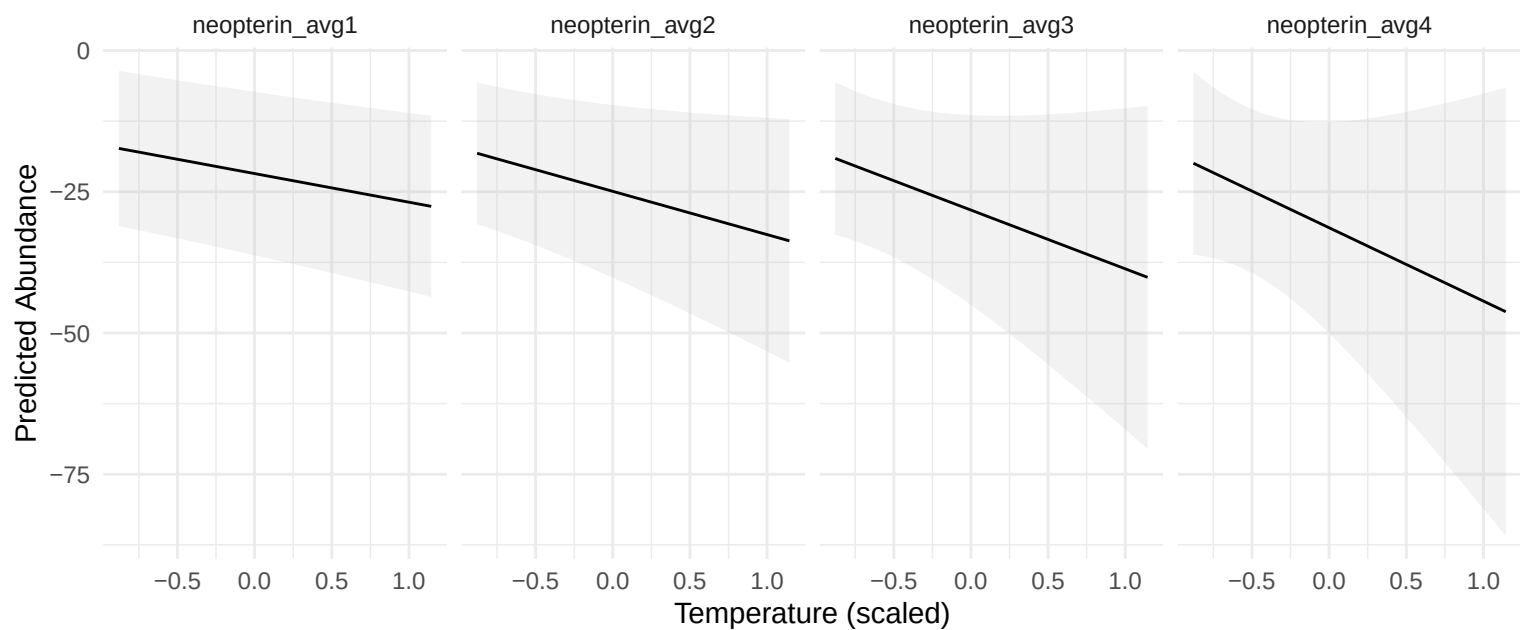

Predicted Abundance for Eubacterium_I

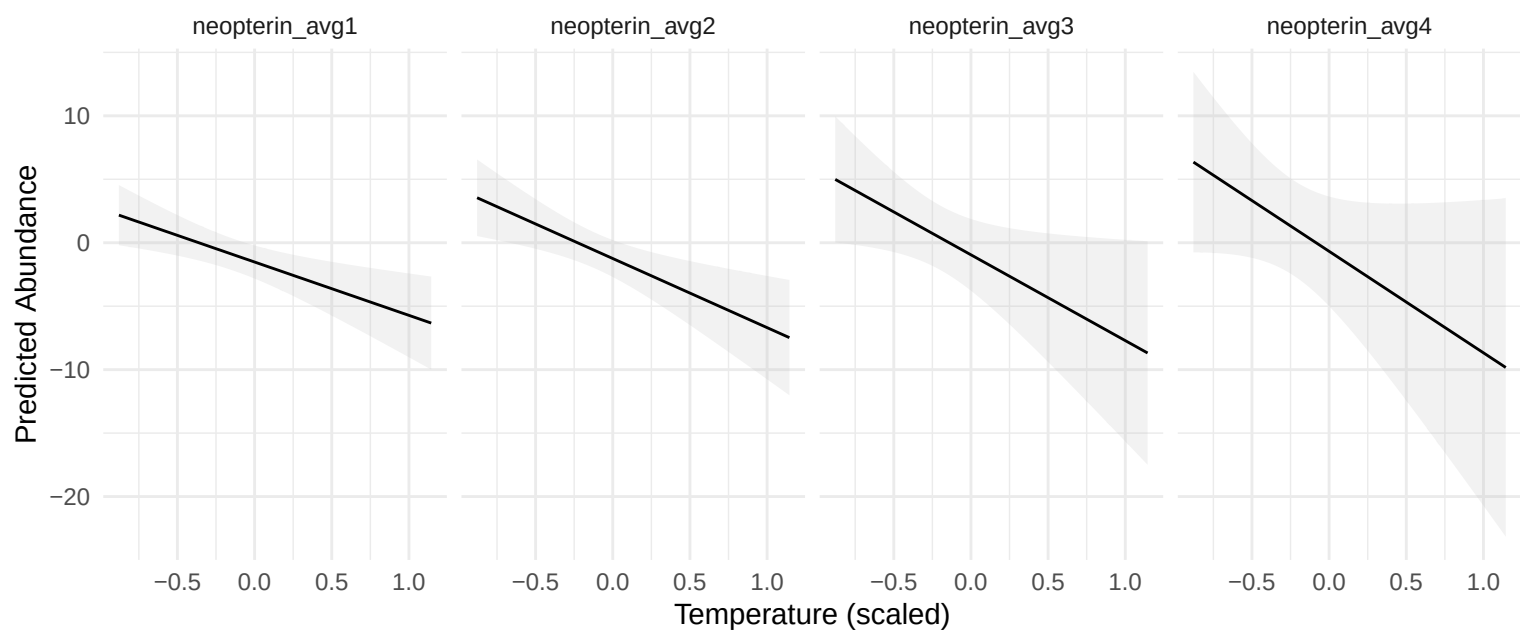

Predicted Abundance for Alistipes_A_871400

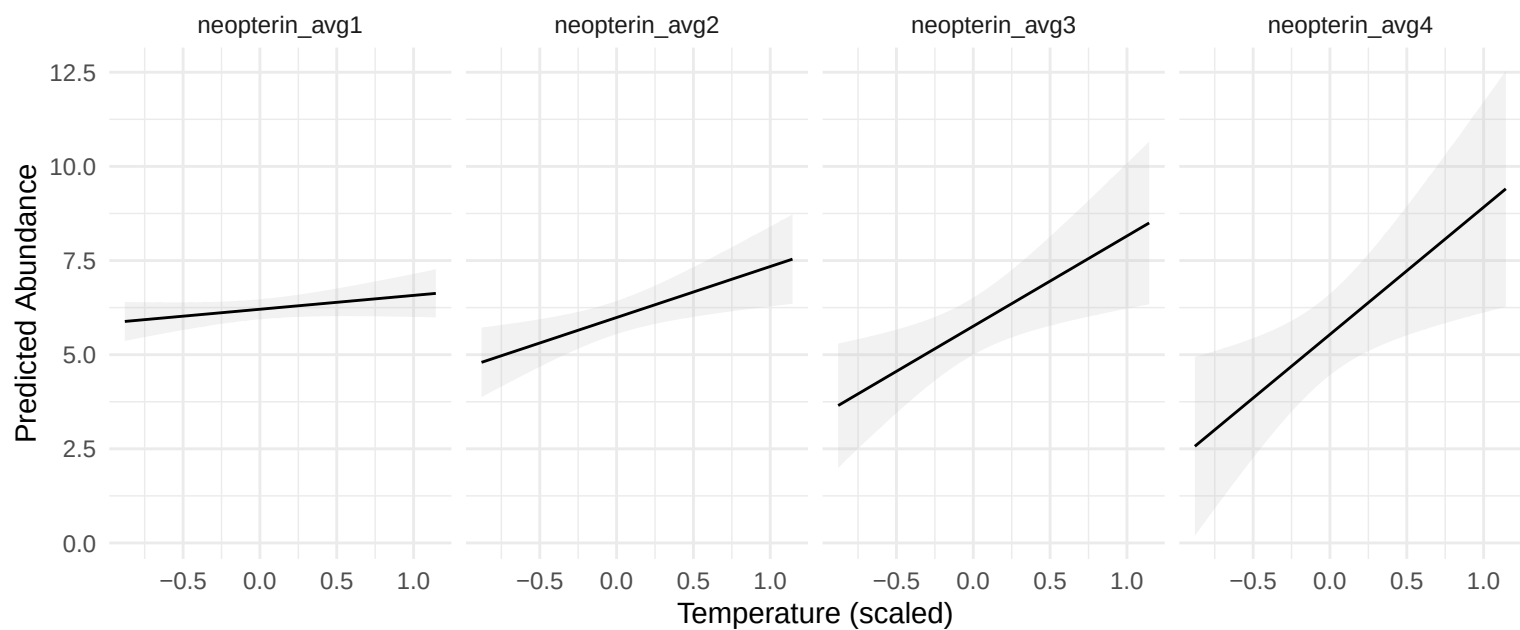

Predicted Abundance for Fimiplasma

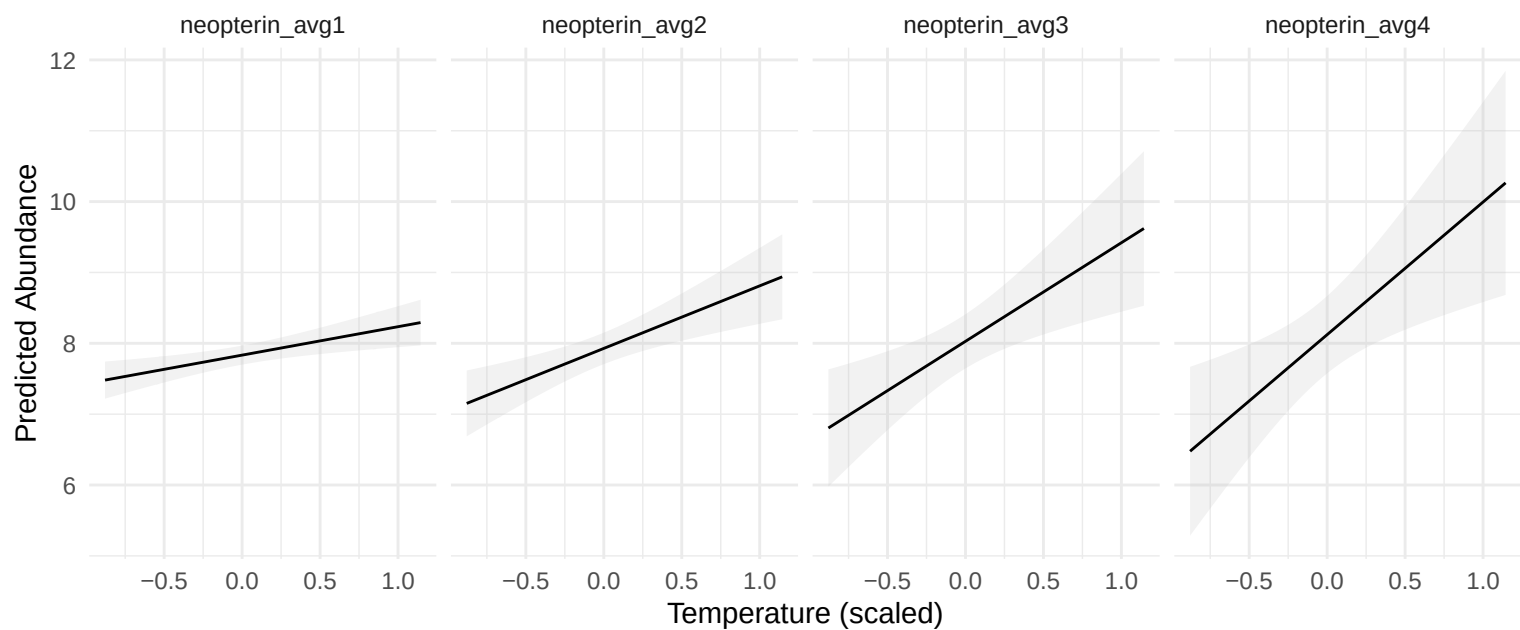

Predicted Abundance for Alistipes_A_871404

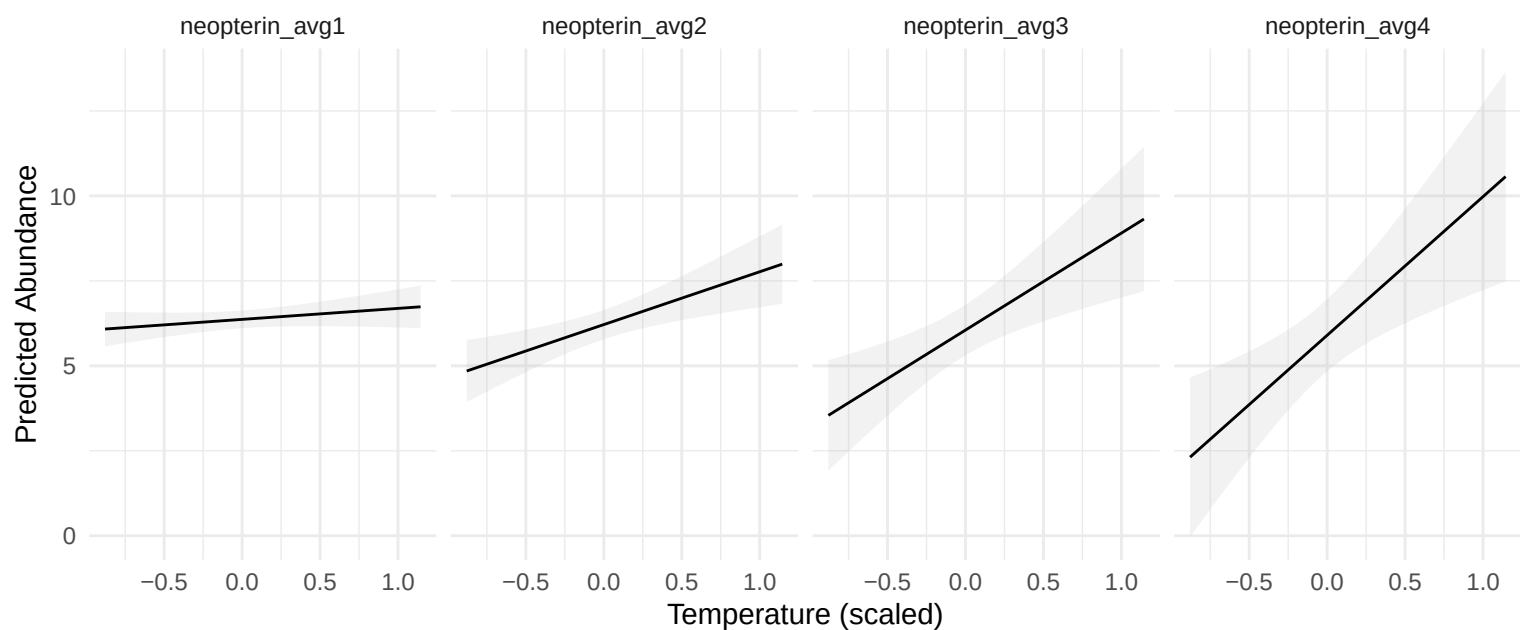

Predicted Abundance for Helicobacteraceae

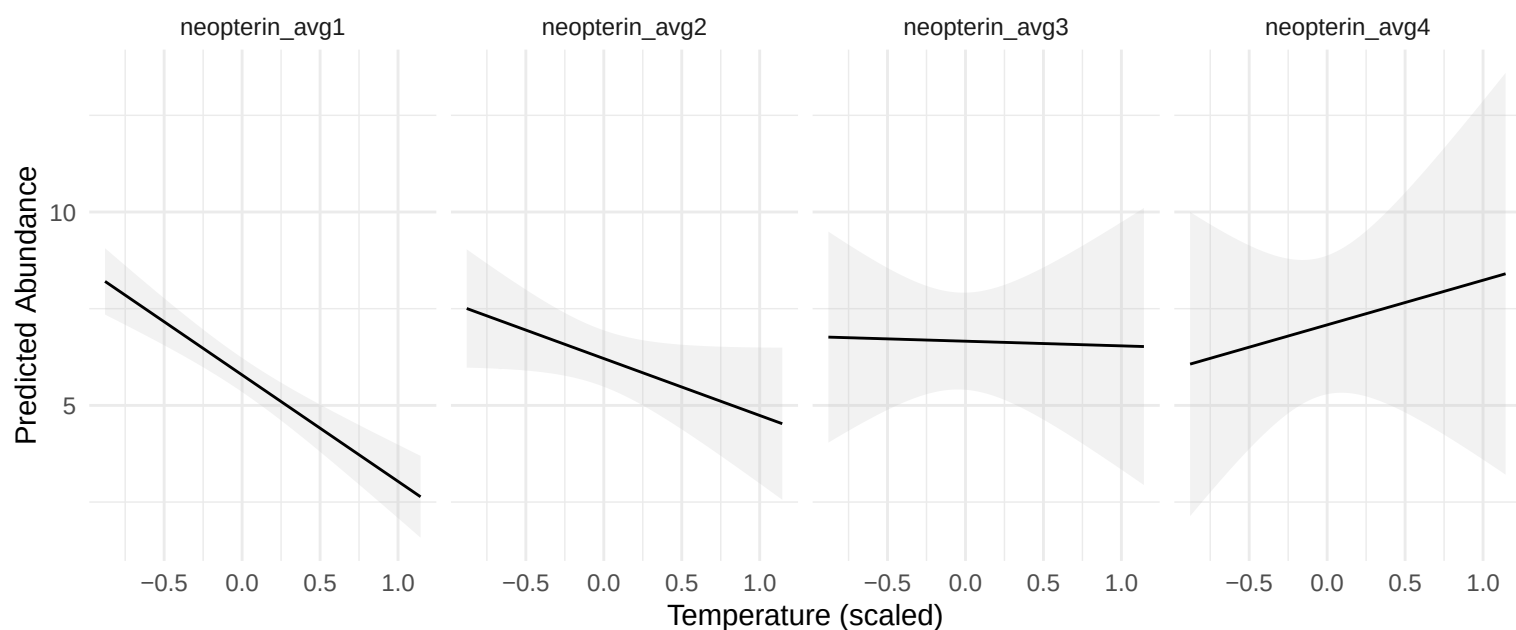

Predicted Abundance for Acidaminococcaceae

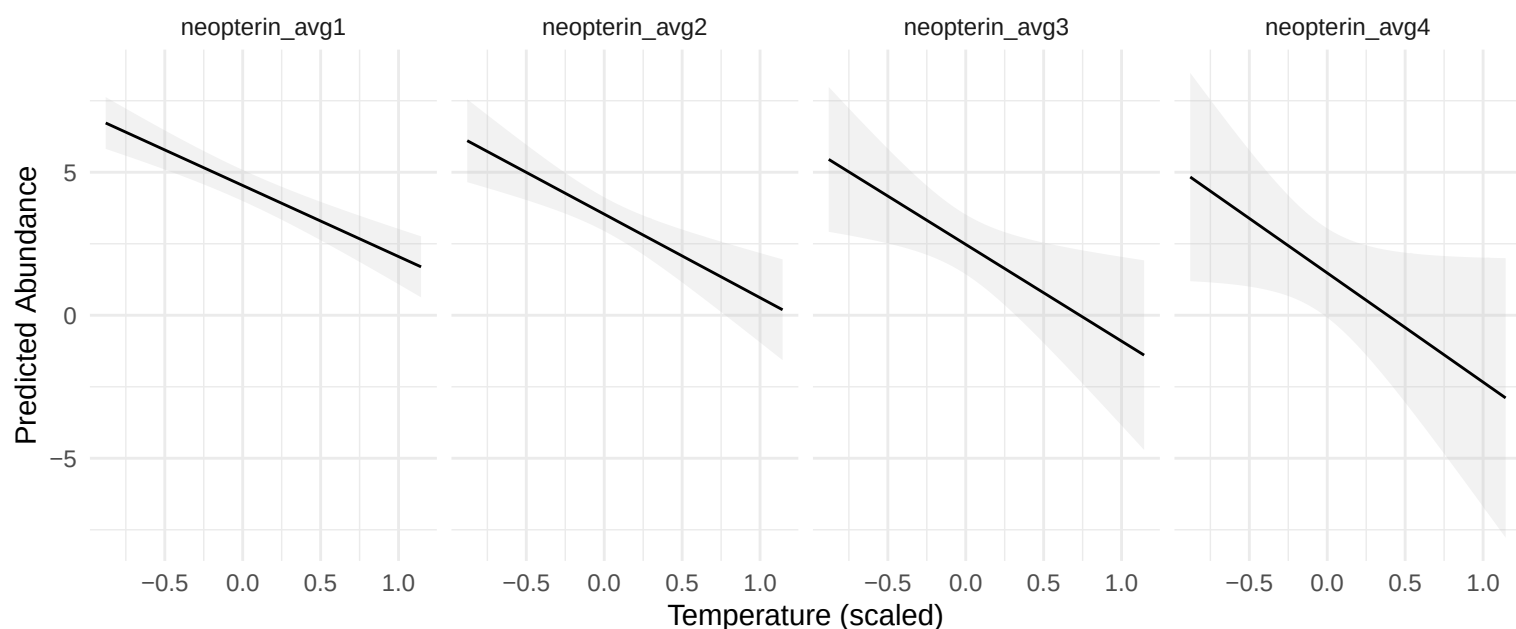

Predicted Abundance for Succinivibrionaceae

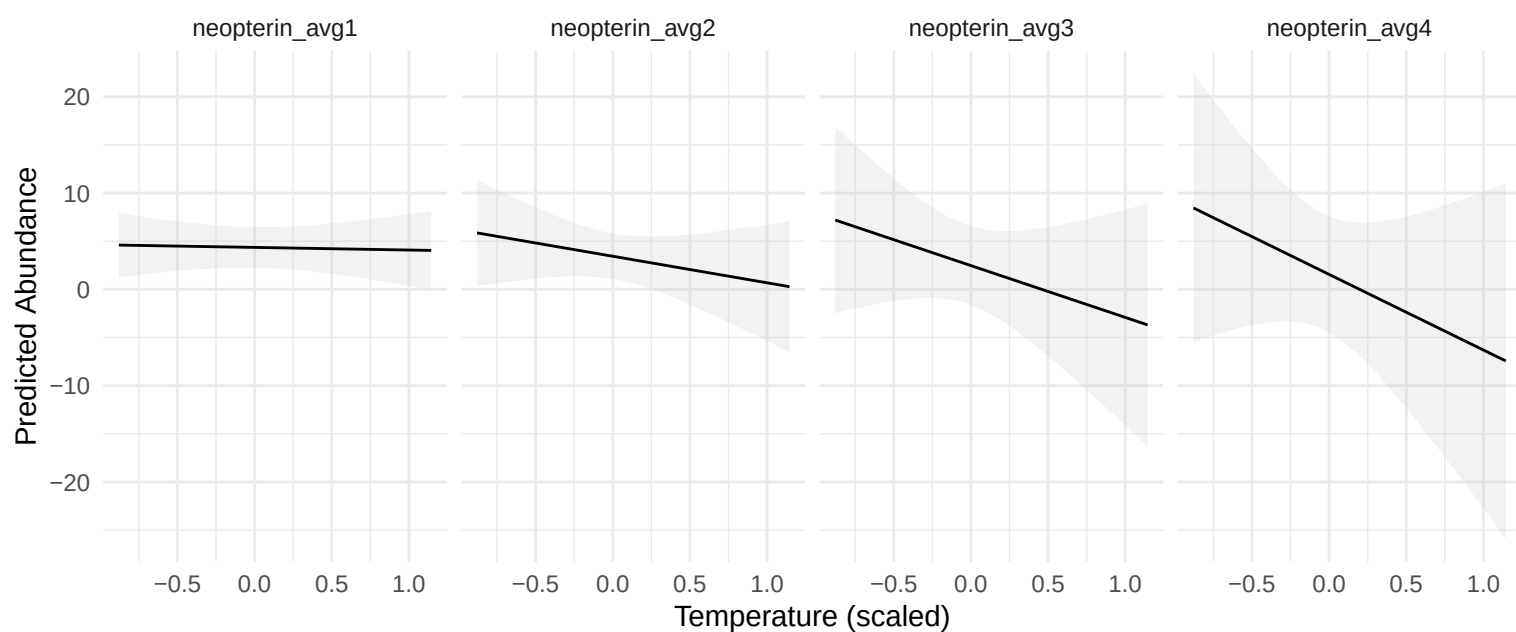

Predicted Abundance for Marinilabiliaceae

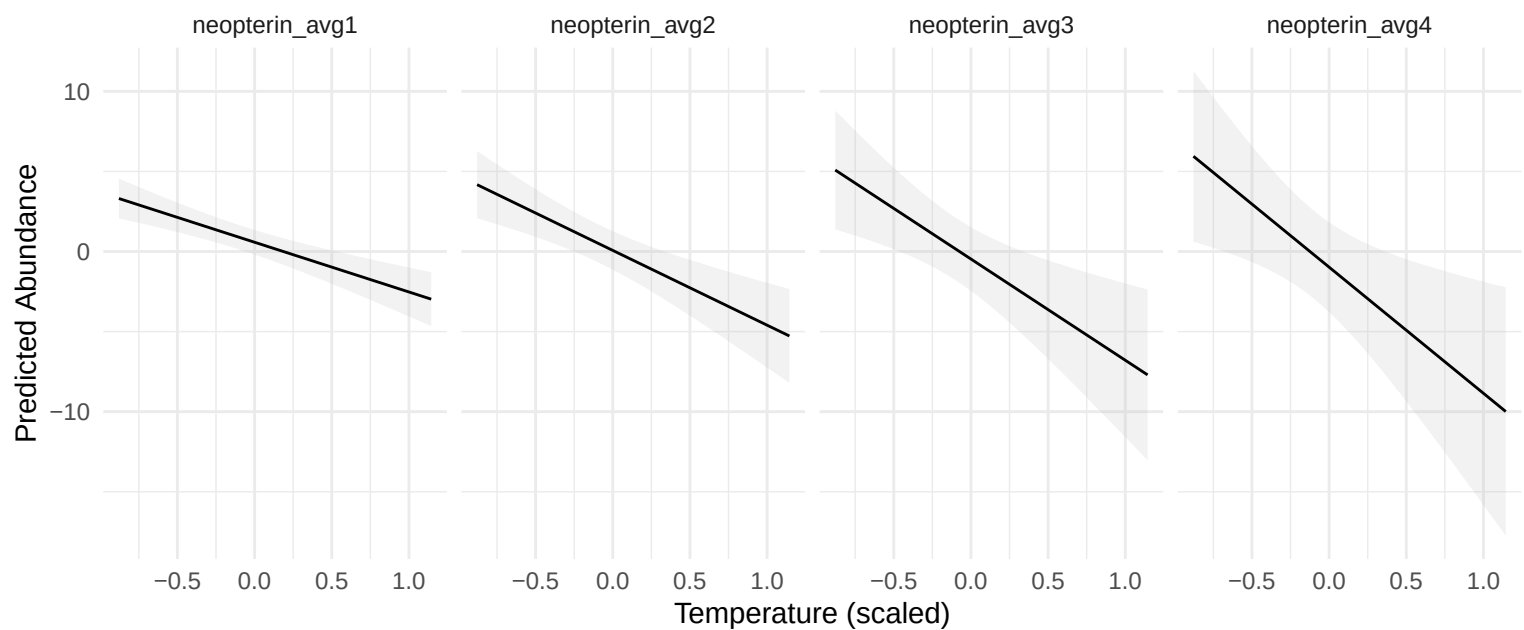

Predicted Abundance for Coprobacillaceae

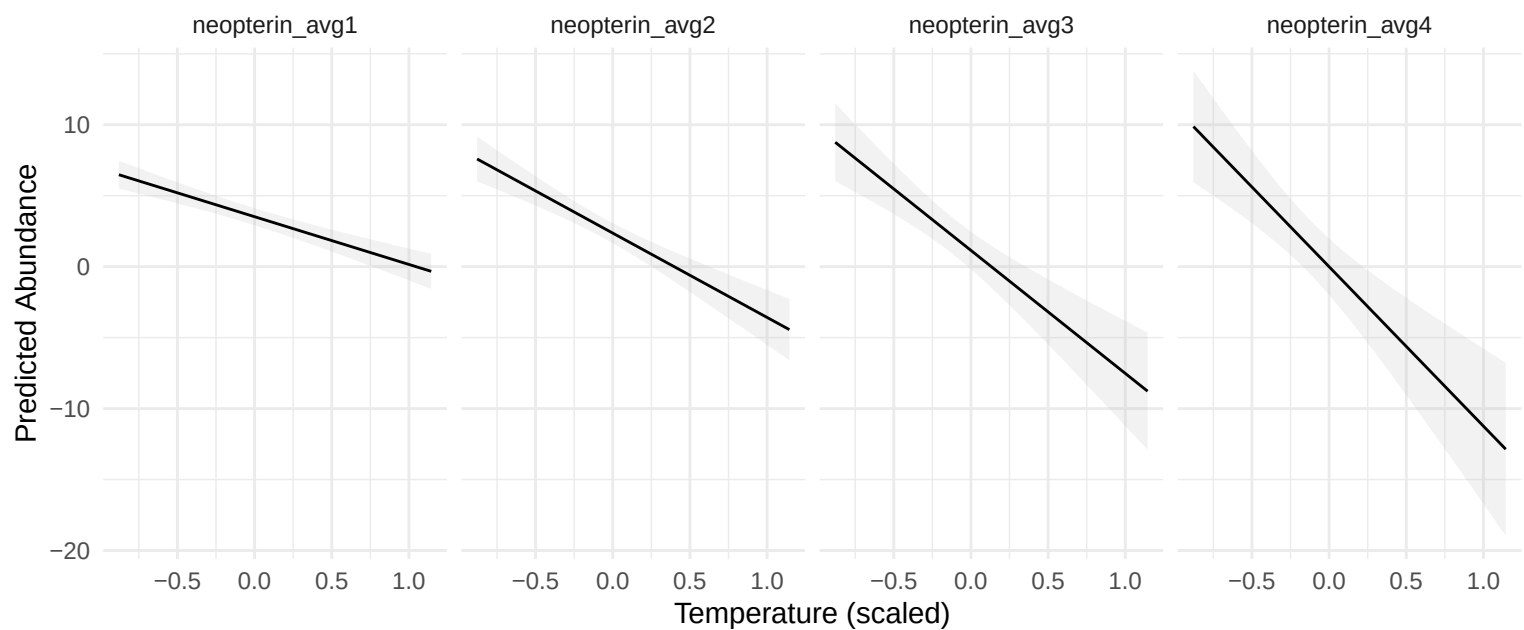

Predicted Abundance for Peptostreptococcaceae_256921

Predicted Abundance for Tannerellaceae

Predicted Abundance for Acutalibacteraceae

Predicted Abundance for Erysipelotrichaceae
