

Distribution for 09101 Carbohydrate metabolism

Distribution for 09103 Lipid metabolism

Distribution for 09108 Metabolism of cofactors and vitamins

Distribution for 09102 Energy metabolism

Distribution for 09181 Protein families: metabolism

Distribution for 09105 Amino acid metabolism

Distribution for 09104 Nucleotide metabolism

Distribution for 09110 Biosynthesis of other secondary metabolites

Distribution for 09111 Xenobiotics biodegradation and metabolism

Distribution for 09106 Metabolism of other amino acids

Distribution for 09107 Glycan biosynthesis and metabolism

Distribution for 09109 Metabolism of terpenoids and polyketides

Distribution for 09183 Protein families: signaling and cellular pro

Distribution for 09122 Translation

Distribution for 09131 Membrane transport

Distribution for 09132 Signal transduction

Distribution for 09145 Cellular community – prokaryotes

Distribution for 09142 Cell motility

Distribution for 09182 Protein families: genetic information processing

Distribution for 09123 Folding, sorting and degradation

Distribution for 09121 Transcription

Distribution for 09126 Chromosome

Distribution for 09185 Viral protein families

Distribution for 09125 Information processing in viruses

Distribution for 09152 Endocrine system

Distribution for 09124 Replication and repair

Distribution for 09151 Immune system

Distribution for 09133 Signaling molecules and interaction

Distribution for 09143 Cell growth and death

Distribution for 09141 Transport and catabolism

Distribution for 09149 Aging

Distribution for 09153 Circulatory system

Distribution for 09158 Development and regeneration

Distribution for 09144 Cellular community – eukaryotes

Distribution for 09159 Environmental adaptation

Distribution for 09156 Nervous system

Distribution for 09157 Sensory system

Distribution for 09155 Excretory system

Distribution for 09154 Digestive system

Distribution for 09192 Unclassified: genetic information processing

Distribution for 09193 Unclassified: signaling and cellular processes

Distribution for 09191 Unclassified: metabolism

Distribution for 09194 Poorly characterized
